

Ariana O. Hall

Research: Synthesis of alkyl-substituted [n]phenacenes
 Advisor: Frank B. Mallory

Laboratory Lecturer August 2020 ~~present~~
 Bryn Mawr College
 Department of Chemistry
 Bryn Mawr, PA

- x Teach and coordinate Organic Chemistry 1 and 2 Lab courses
- x Develop new experiments for Organic Chemistry 1 and 2 Lab courses

Lecturer A and Pre-health Advisor August 2018 ~~August 2020~~
 University of Pennsylvania
 School of Liberal and Professional Studies 4 TJ 11(a)-38th ofn-

baccalaureate students

Teaching Postdoctoral Fellow May 2017 ~~June 2018~~
 University of Michigan
 School of Literature, Arts and Sciences
 Department of Chemistry
 Ann Arbor, MI

- x Taught and collaborated in developing the curriculum and course manual for Organic Chemistry 1 Lab
- x Designed and taught a two-week summer camp for high school students about polymer chemistry as part of the Michigan Math and Science Scholars summer program

Graduate Student Instructor 2012 ~~2013~~
 University of Michigan
 Organic Chemistry I Discussion Leader (1 semester)

Organic Chemistry II Laboratory (1 semester)

Organic Principles (graduate level physical organic chemistry, 1 semester)
