

TRAVEL WITH  
BRYN MAWR

Dear Bryn Mawr Alumnae/i, Friends & Family,

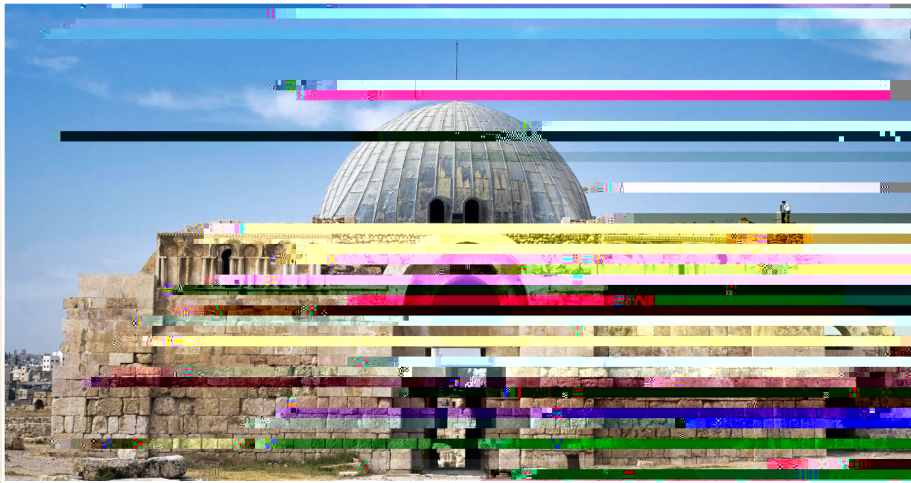

Marhaba (welcome) to Jordan! A crossroads for millennia, Jordan has faced endless waves of invaders from ancient Romans to Ottomans and European crusaders. In their wake, these empires have left ornate churches to crusader castles and desert citadels, as well as the lost city of Petra. For the first time, Bryn Mawr will be offering this unique destination to our alumnae/i, family and friends, with a focus on immersive experiences that gets you close to its people, culture, vast desert landscapes, archeological gems and rich history.

You will start in Amman, the commercial and cultural capital of Jordan, a vibrant and ancient example of a Roman provincial city in the Middle East. Visit a village and spend a few hours meeting 2 local women of Beit Khairat Souf who are part of a women empowerment project and learn how they have created a platform to provide them economic opportunities. You will visit Mount Nebo, said to be the place where Moses looked across the Promised Land and later died.

Wednesday, March 22 – Mount Nebo / Madaba / Feynan Ecolodge

After breakfast, we will check out of the hotel and head to Iraq Al Amir to visit a local women's cooperative where you will learn the art of making handicrafts. Next we will drive to Mount Nebo and wonder at the view where Moses looked across to the Promised Land and later died and was buried there. Then we will visit the town of Madaba and discover the amazing Byzantine mosaics excavated from throughout

### Saturday, March 25 – Wadi Rum / Dead Sea

Enjoy a roughly 2-hour jeep tour that will allow you to travel around Wadi Rum's valleys, canyons, dunes and deserts, discover rock inscriptions, majestic views of mountains, landscapes and narrow gorges. At each stop you have the opportunity to hike, scramble and explore at your own pace. After lunch, we will drive 4-hours to the Dead Sea, considered the lowest point on earth, at 1,300 feet below sea level. Enjoy time relaxing at the Dead Sea, floating in its salty waters or rest by the resort's pool. In the evening, we will enjoy a farewell dinner as we toast to our new friendships and experiences.

Overnight: Holiday Inn Resort Dead Sea (Breakfast, Lunch, Farewell Dinner)

### Sunday, March 26 – Dead Sea / Departure

Spend your last day on the shores of the Dead Sea as you unwind and relax. Enjoy
