

Frank Romascavage, III
Bryn Mawr College, fromascava@brynmawr.edu
Bryn Mawr, Pennsylvania

December 2015

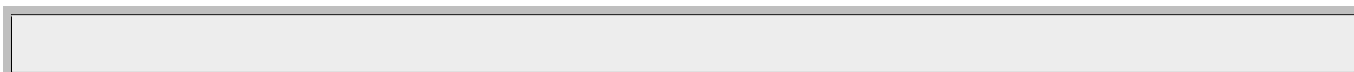

Education

- Bryn Mawr College
Ph.D Mathematics (in progress) Bryn Mawr, PA
 { Advisor: Djordje Milicevic 2010 - Present
 { Area of Research: Analytic Number Theory
- Lehigh University Bethlehem, PA
M.S. Mathematics 2004-200()TjEMC /P <

Presentations

- Twin Prime Numbers:

- Private Tutor for:
 Pre-Algebra, Algebra I, Algebra II, Geometry, Trigonometry, Pre-Calculus, Calculus I, II and III,
 Linear Algebra, Differential Equations, Introduction to Real Analysis, Discrete Mathematics,
 Abstract Algebra, Probability, Numerical Analysis, Statistics, Complex Variables and General
 Topology (Sep. 2003-Present)
 { Responsibilities: Review concepts, exam preparation, help with homework

Conference & Seminar Participation

- Philadelphia Area Number Theory Seminar (2013 - present)
- AMS Joint Mathematics Meetings (January 2014)
- Princeton University / IAS Number Theory Seminar (2013 - present)

Service

- President of AMS student chapter at Bryn Mawr College (2013 - present)
- President of Chess Club at Ursinus College (2000-2004)

Professional Memberships

Mathematics Association of America (MAA) 2003-2005, 2011-present
 American Mathematical Society (AMS) 2004-present
